Dear Secretary,

SportsAid Open Meet
Aquatics Centre, John Charles Centre for Sport, South Leeds Stadium, 12th & 13th May
2012

Once again I take pleasure in providing details of our annual Open Meet organised in co-operation with Yorkshire SA and ASA North East Region as a fundraising event for SportsAid Y&H – helping the sports stars of tomorrow today.

The programme is the same as that of last year. All events will be heat declared and awards made to the top three swimmers in all age groups.

Information concerning the event is enclosed including an entry form which includes the opportunity to order coach passes, the programme of events, a copy of the promoter's conditions and details of minimum entry times.

The entry pack for the event can now be downloaded directly from <http://www.sportsaid.org.uk/regions/yorkshire-and-humberside/events/event-details/sportsaid-open-meet>. Clubs wishing to submit electronic entries will need to request the data set directly from the SportsAid Y&H office; this can be done by emailing yorkshire@sportsaid.org.uk or by calling 0113 242 7627.

If you have entries from more than five swimmers all entries must be submitted electronically to Barry Saunders – barry@thesaunders42.fsnet.co.uk. Please also complete the paper summary form enclosed outlining the number of your entries and passes required and return to the SportsAid Y&H office along with payment (please see the address above). Cheques should be made payable to 'S.A.F. (Y&H)'.

Should you have fewer than five entries and wish to submit entries in a non-electronic format you can request paper forms from the SportsAid office at the details above.

The closing date for entries and payment is 13th April 2012; entries received after this date will be rejected.

I hope that you will be able to join us at the 2012 SportsAid Open Meet and I look forward to the opportunity to welcome you and your swimmers to this fantastic annual event.

If you have any queries regarding the meet please do not hesitate to contact us.

With kind regards,

Rob Clarke
Regional Development Manager
